

**TechXcelerate**  
Path to Commercialization

**No Idea? No Problem!**

**Dream of being an entrepreneur?**

**How?**

- Participants will get access to patented technologies from NRDC's technology reservoir
- You can choose any technology/idea and learn how to turn it into a viable business model.

**Guidelines**

- Open to all students & research scholars.
- Teams (max 3 members) from different domains, forming cross-functional teams.
- Mandatory to attend 3-day workshop.

**28th-29th March, 2025**

**Apply Before: March 16, 2025**
